## **Vintage Mouldings Moulding Warranty**

In this warranty, all mouldings and millwork related items will be described as the Product.

Inherent in the Product there are natural defects that are normal and acceptable and are not part of this warranty. Vintage Mouldings Mfg Ltd. warrants that all Products are free from defects in workmanship and/or manufacturing for a period of 1 year from date of purchase.

This warranty is subject to the following stipulations and conditions:

1. All claims must be submitted in writing and accompanied by proof of purchase, invoice.
2. Vintage Moulding reserves the right to inspect any Product deemed to be defective, in the location and under the conditions where the defect was first detected. Vintage Mouldings will inspect the product, if required, within 10 days of receiving the complaint. Products that are repaired or removed from jobsite without the express written consent of Vintage Mouldings, are not subject to claims, replacements, refunds or credit.
3. Should any Product be determined to be defective, at the option of Vintage Mouldings such Product shall either be replaced or refunded.
4. Vintage Mouldings reserves the right to have defective material returned to point of purchase for material to be picked-up or returned.
5. This warranty excludes Product damage due to improper installation, Product abuse, misuse, or accidental whether performed by a contractor, service company or the consumer.
6. Vintage Moulding is not responsible for labor charges, installation or other consequential costs.
7. In no case shall the liability exceed the purchase price of the Product.
8. This Warranty is void under any of the following conditions but not limited to:
  1. The Product is broken.
  2. The Product is installed or used in an application other than intended.
  3. The Product is installed in high-humidity environments.
  4. The Product has been subjected to standing water or other liquid.
  5. The Product has been exposed to the elements
